PARTNERSHIP WITH THE UNIVERSITY OF DENVER

UNIVERSITY *of*
DENVER

We are very excited to announce our formal partnership with the University of Denver. We are now 1 of 26 organizations nationwide

to be invited to be a DU Pathway Partner program. This is great news for PreCollegiate students interested in attending DU!

Our partnership benefits our students in several ways. Our alumni will receive additional consideration throughout their admission review process and specialized communications designed to assist students through the enrollment process. Our students will have support in accessing support programs at DU targeted at first-generation and students of color through the Campus Life and Inclusive Excellence Division. They also have eligibility to be considered for and awarded a Pathway Scholarship of up to \$7,500 per year for four years on top of their other financial aid awards. In addition, our students have access to two tailored visits to DU during their senior year, one in the Fall and one in the Spring for admitted partner students. The partnership will allow us to share data and information as well, in order to support our students as best as possible. We are excited to add DU to our growing list of partner colleges and universities!

SEVENTH GRADE UPDATE:

Our 7th grade groups are up and running at Basalt Middle School, Carbondale Middle School, and Glenwood Springs Middle School with a total of 52 scholars. Our 5 new 7th grade mentors have

kicked off their first couple of meetings with their scholars before the holidays. We are so fortunate with our 5 new mentors they are alums, former and current educators.

It has been a very exciting year with our PreCollegiate club at Riverview. Our 12 club members have been very engaged and working hard! We appreciate the support our club has received from parents and the administration at Riverview.

We would like to thank our wonderful middle school counselors and family liaisons for their work and help in recruiting this wonderful PreCollegiate class of 2025! We could not have done it without them.

SENIOR UPDATE

We have 58 seniors in our class of 2020. So far this year they have received over 200 college acceptances all across the country! We are so proud of their hard work! Our students are also very busy applying to regional and national scholarships.

Twenty of our seniors have applied to the Daniels Fund Scholarship this year, and finalists will be announced in January.

Last week members of the class of 2020 that have been admitted to Colorado Mesa University got to visit the campus for a student tour. The students were able to learn more about what CMU can offer them with an eye towards making their college decision in the spring. Special thanks to CMU Admissions for making this visit a success.

RFHS Seniors during their weekly meeting with PreCollegiate staff

Congratulations Class of 2020!
