Student Advisory Committee

Alumni during the Student Advisory Committee

We have launched our Student Advisory Committee! The committee is led by two of our program Alumni, Estefania Vigil and Stephanie Nevarez. The purpose of our Student Advisory Committee is to amplify our student voice in effort to best serve our current students. This advisory committee is also serving as a network for our alumni to make connections across all ages. In our first two meetings we have had alumni from East to West coast log in to share their reflections and feedback of the program. We connect with alumni from the class of 2007 all the way to our most current class of 2020 graduates. Our two lead Alumni, Estefania and Stephanie are also serving on the Roaring Fork PreCollegiate Advisory Board of Directors and have taken on the roles of being liaisons between the two groups.
